

Telesales Executive (Sandyford)

Commercial Wireless Group is Ireland's leading business to business telecommunications company offering mobile, fixed line and broadband solutions to over 60,000 business customers.

Due to changes in the telecoms industry, we're looking for a dynamic individual to close mobile and fixed line business over the phone and to book appointments for our Business Development Executives based across the country.

Successful Applicants must:

- **Have at least 1- 2 years telesales experience in a business to business environment**
- **Be self motivated and willing to make 80-100 calls per day**
- **Have excellent communication and negotiation skills**
- **Be able to exceed your monthly target and work to tight deadlines**
- **Have a passion for sales and be customer focused**

The package on offer will be commensurate with experience but includes a basic salary, company mobile, competitive commission structure and massive potential for career progression!

Interested parties should contact Owen Kingston, Sales Manager, on 086 0444190 or owenk@commercialwireless.ie
